1	Laser Removal - Full Face	Safe and effective laser hair removal for the full face, including upper lip, chin, sideburns, and jawline. Helps reduce unwanted hair, ingrown hairs, and irritation while improving skin smoothness.	Professional: Julia Shchur, Category: Laser Hair Removal, Price: \$80	
2	Laser Removal - Lips	Laser Removal for lips employs cutting-edge laser technology to precisely eliminate unwanted hair. By targeting hair follicles with concentrated light energy, this procedure effectively damages the follicles, leading to reduced hair growth and achieving smooth, hair-free lips.	Professional: Julia Shchur, Category: Laser Hair Removal, Price: \$20	
3	Laser Removal - Chin	Laser Removal - Chin utilizes advanced laser technology to effectively eliminate unwanted hair from the chin area. This procedure targets hair follicles with concentrated light, damaging them to reduce and inhibit future hair growth for long-lasting smoothness.	Professional: Julia Shchur, Category: Laser Hair Removal, Price: \$30	

No.	Name	Description	Extra	QR
4	Laser Removal - Lip and Chin	Laser removal for the lip and chin utilizes a focused, pulsating beam of light to effectively eliminate unwanted hair. This medical procedure targets hair follicles with intense heat, damaging them to prevent future growth and providing a long-lasting solution for smoother skin.	Professional: Julia Shchur, Category: Laser Hair Removal, Price: \$50	
5	Laser Removal - Underarms	Laser removal for underarms utilizes a concentrated beam of light to target and eliminate unwanted hair at the follicle level. This effective medical procedure disrupts hair growth, providing a long-lasting solution for smooth, hair-free skin in the underarm area.	Professional: Julia Shchur, Category: Laser Hair Removal, Price: \$40	
6	Laser Removal - Full Arms	Laser hair removal for full arms utilizes a focused beam of light to target and eliminate unwanted hair effectively. This medical procedure damages hair follicles with precision, reducing future hair growth and leaving your skin smooth and hair-free.	Professional: Julia Shchur, Category: Laser Hair Removal, Price: \$80	
7	Laser Removal - Full Legs	Laser hair removal for full legs employs a precise laser to target and destroy hair follicles, effectively reducing unwanted hair growth over time. This safe and efficient procedure provides long-lasting results, allowing for smoother skin without the hassle of traditional hair removal methods.	Professional: Julia Shchur, Category: Laser Hair Removal, Price: \$150	
8	Laser Removal - Half Legs	Laser hair removal is a medical procedure that uses a laser — an intense, pulsating beam of light — to remove unwanted hair. During laser hair removal, a laser beam passes through the skin to an individual hair follicle. The intense heat of the laser damages the hair follicle, which inhibits future hair growth.	Professional: Julia Shchur, Category: Laser Hair Removal, Price: \$100	
9	Laser Removal - Chest	Laser removal for the chest utilizes advanced technology to target and eliminate unwanted hair with precision. By employing a focused beam of light, the procedure effectively damages hair follicles, reducing hair growth and promoting smoother skin over time.	Professional: Julia Shchur, Category: Laser Hair Removal, Price: \$60	
10	Laser Removal - Stomach	Laser removal for the stomach utilizes advanced laser technology to effectively target and eliminate unwanted hair. By directing concentrated light into the hair follicles, this procedure safely damages them, leading to long-term hair reduction and smoother skin.	Professional: Julia Shchur, Category: Laser Hair Removal, Price: \$60	
11	Laser Removal - Full Back	Laser Removal - Full Back utilizes advanced laser technology to effectively target and eliminate unwanted hair from the back area. By delivering concentrated light energy to the hair follicles, this procedure disrupts hair growth and provides long-lasting results, ensuring a smoother and hair-free back.	Professional: Julia Shchur, Category: Laser Hair Removal, Price: \$100	

No.	Name	Description	Extra	QR
12	Laser Removal - Bikini	Laser removal for the bikini area utilizes advanced laser technology to effectively eliminate unwanted hair with precision. This procedure targets hair follicles directly, delivering intense heat that disrupts future hair growth, ensuring a smooth, hair-free result.	Professional: Julia Shchur, Category: Laser Hair Removal, Price: \$80	
13	Laser Removal - Brazilian	Laser Removal - Brazilian utilizes advanced laser technology to effectively target and eliminate unwanted hair in the bikini area. This procedure focuses on damaging hair follicles with concentrated light energy, leading to long-lasting hair reduction and smoother skin.	Professional: Julia Shchur, Category: Laser Hair Removal, Price: \$100
